## ***Prof. Dr. Eleni Nastas***

Assistant Lecturer at the  
Department of General Education  
and Professional Development

# ***BIOGRAPHY***

Prof. Dr. Eleni Nastas graduated from the Faculty of Medicine at the University of Tirana (1975-1981). She specialized in General Pediatrics at the Institute of Pediatrics in Tirana (1981-1983). In 1992, she completed her specialization in Pediatric Hematology at the Hematology Service of the same institute.

She has undertaken several advanced trainings abroad, including a three-month specialization at the Beilinson Center, Department of Pediatrics, Onco-Hematology Clinic, Tel Aviv University, Israel (May-August 1997); a two-week qualification at the Onco-Hematology Clinic at James University Hospital in Leeds, England (October 2001); and a training program at the Microcitemico Hospital, University of Cagliari, Sardinia, Italy (January-April 2002).

In 1996, she was awarded the scientific degree "Doctor of Sciences". In 2007, she earned the academic title of "Associate Professor", and in 2016, the title of "Professor".

From 1981 to 1984, Prof. Nastas practiced as a general pediatrician at the Institute of Pediatrics in Tirana. Between 1984 and 1996, she worked as a pediatric hematologist.
